NOTICE TO USER:

THIS IS A CONTRACT. BY INDICATING YOUR ACCEPTANCE BELOW, YOU ACCEPT ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT, DECLINE WHERE INSTRUCTED, AND YOU WILL NOT BE ABLE TO USE THE SOFTWARE.

This Adobe Systems Incorporated ("Adobe") End User License Agreement (the "Agreement") accompanies software ("Software") and related explanatory written materials ("Documentation"). The term "Software" shall also include any upgrades, modified versions, updates, additions, and copies of the Software licensed to you by Adobe. Adobe grants to you a nonexclusive license to use the Software and Documentation, provided that you agree to the following:

1. Use of the Software.

You may--

-Install the Software in a single location on a hard disk or other storage device of up to the number of computers indicated at the top of this Agreement ("Permitted Number of Computers").

-Provided the Software is configured for network use, install and use the Software on a single file server for use on a single local area network for either (but not both) of the following purposes:

(1) permanent installation onto a hard disk or other storage device of up to the Permitted Number of Computers; or

(2) use of the Software over such network, provided the number of different computers on which the Software is used does not exceed the Permitted Number of Computers. For example, if there are 100 computers connected to the server, with no more than 15 computers ever using the Software concurrently, but the Software will be used on 25 different computers at various times, the Permitted Number of Computers for which you need a license is 25.

-Display, modify, reproduce and distribute any photographs or other artistic works, in whole or in part, that are included with the Software, provided such photographs or artistic works are not distributed on a stand-alone basis. Such photographs and artistic works may not be used in the production of lewd, obscene or pornographic material.

-Make one backup copy of the Software, provided your backup copy is not installed or used on any computer.

HOME USE. The primary user of each computer on which the Software is installed or used may also install the Software on one home or portable computer. However, the Software may not be used on the secondary computer by another person at the same time the Software on the primary computer is being used.

FONT SOFTWARE. If the Software includes font software, you may--

-Use the font software as described above on the Permitted Number of Computers and output such font software on any output devices connected to such computers.

-If the Number of Permitted Computers is five or fewer, download the font software to the memory (hard disk or RAM) of one output device connected to at least one of such computers for the purpose of having such font software remain resident in the output device, and of one additional such output device for every multiple of five represented by the Number of Permitted Computers.

-Take a copy of the font(s) you have used for a particular file to a commercial printer or other service bureau, and such service bureau may use the font(s) to process your file, provided such

service bureau has informed you that it has purchased or been granted a license to use that particular font software.

-Convert and install the font software into another format for use in other environments, subject to the following conditions: A computer on which the converted font software is used or installed shall be considered as one of your Permitted Number of Computers. You agree that use of the font software you have converted shall be pursuant to all the terms and conditions of this Agreement, that such font software may be used only for your own customary internal business or personal use and that such font software may not be distributed or transferred for any purpose, except in accordance with Paragraph 3 below.

2. Copyright. The Software is owned by Adobe and its suppliers, and its structure, organization and code are the valuable trade secrets of Adobe and its suppliers. The Software is also protected by United States Copyright Law and International Treaty provisions. You must treat the Software just as you would any other copyrighted material, such as a book. You may not copy the Software or the Documentation, except as set forth in the "Use of the Software" section. Any copies that you are permitted to make pursuant to this Agreement must contain the same copyright and other proprietary notices that appear on or in the Software. Except for font software converted to other formats as permitted in the "Use of the Software" section, you agree not to modify, adapt or translate the Software. You also agree not to reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software. Trademarks shall be used in accordance with accepted trademark practice, including identification of trademark owner's name. Trademarks can only be used to identify printed output produced by the Software. Such use of any trademark does not give you any rights of ownership in that trademark.
